

**Remarks**

The Notice of Allowance dated March 8, 2004 included an Examiner's amendment to claims 1, 69 and 103. In these amendments, the term "emphasize" in these claims was replaced with --more heavily weighted--. However, as amended, the claims now recite "to more heavily weighted," which is grammatically incorrect. Herein, claims 1, 69 and 103 are amended to recite "to more heavily weight," which is grammatically correct. No new matter is introduced by these wholly grammatical amendments.

Applicants request entry of this Amendment without withdrawing the application from issue and issuance of a Supplemental Notice of Allowance that reflects that the claims as listed herein are the allowed claims.

Respectfully submitted,
